Seedling Activity - Report

Date: 10th September 2022

In order to promote on-campus Organic Farming the Eco club and student council in association with Hariyali (NGO) had organized Organic Farming Phase – I Seedling Activity on Saturday, 10th September 2022 at 10.00 a.m.

The activity was conducted under the guidance of Mrs. Jailaxmi C. and Mr. Satish Joshi, representatives and plantation experts from Hariyali (NGO). In all, seven types of seeds viz. Ridge gourd, Sponge gourd, Cucumber, Pumpkin, Snake gourd, Bottle gourd, and Bitter gourd were sown in the auspicious hands of Dr. Padmaja Arvind, Principal, and Mrs. Booma Halpeth, Vice Principal. Initially, Mrs. Jailaxmi C. introduced Mr. Satish Joshi. This was followed by the guidance and guidelines given by Mr. Joshi for eco-friendly organic farming. He talked about the importance of organic farming, the advantages of organic farming, and how to develop it.

Organic farming in India is not new and is being practiced since ancient times. Mr. Joshi Sir elaborated that, organic farming is a method of farming which primarily aimed at cultivating the land and raising crops in such a way, as to keep the soil alive and in good health by use of organic wastes crop residues, cow dung, compost, farm wastes, and aquatic wastes and other biological materials along with beneficial microbes like bio-fertilizers to release nutrients to crops for increased sustainable production in an eco-friendly pollution free environment.

Dr. Padmaja Arvind spoke about the purpose of developing on-campus organic farming, students and local people should take advantage of this initiative taken by the eco-club and student council. The convenor and Members of the eco-club as well as the student council, faculty members, and students were actively involved in the seedling activity.

Organic Farming Phase II : Harvesting Activity Report

Date: 15/11/2022

A harvesting activity of organic farming was organized by Eco club and Student Council in association with Hariyali (NGO) on Wednesday, 15th November 2022 at 9.30 a.m. considering the weather conditions and maturity of crops, the harvesting activity was conducted by the members of the eco-club under the guidance of the principal madam. Fruits of Sponge gourd were found matured for picking. Thus, by considering their sizes sponge gourds were picked up by the students. As this was the first harvest of the crop students were enthusiastic to get involved in the activity. During this activity, students could learn to identify the climbers by considering the shape, color and size of the fruits and leaves of the creeper. Students noticed that the maturity period of sponge gourd is less as compared with other vegetable crops. Students could also learn the method of vegetable handling. The effect of soil quality on crop growth, the importance of supplementary irrigation, advantages of drip irrigation method and the maintenance of drip irrigation systems are some of the aspects students could learn about.

As control of pests and diseases is one of the major hurdles in organic farming, the students were informed about it and introduced to the various bio pesticides. Students were also introduced to the process of preparing organic manure through composting. Along with convener, members of the eco-club as well as the student council, and students were actively involved in the harvesting activity. The activity generated 4.5kg of organically produced sponge guard by 14th December 2022 and the amount derived by selling it to staff member was Rs.189/-only.

Electronic Waste (e-waste) collection Drive Report

Date: 26-04-2023

Eco club in association with Departments of Banking & Insurance, Mass Media and Accounting & Finance of The S.I.A College of Higher Education, Dombivli conducted an e-waste collection drive from **30th January 2023 to 31st March 2023** from 7am to 4pm.

Advancement in technology has resulted in piling up of electrical and electronic devices at a dizzying speed. E-waste is the fastest-growing toxic waste stream in the world and unfortunately, 95% of this e-waste is processed by the unorganized, unregulated, and unauthorized sector causing irreversible damage to the environment and to the underage labour employed in this trade. Toxins like lead, arsenic, cadmium, mercury, etc. are polluting our environment and our ecosystems. Landfilling and dumping of these items as well as the unregulated and unscientific processes used in the informal recycling sector are escalating the already mammoth problem of E-Waste pollution.

This drive aims to serve the community by:

- Planning a project as an outreach involving students collecting e-waste from various areas
- Sensitizing people towards the harmful effects of disposing of electronic waste indiscriminately

Students participated in this community outreach programme and collected e-waste from their neighbours, friends, relatives and family. After collecting e-waste, students brought collected e-waste at the e-waste collection point located at the ground floor where a large drop box was kept to accumulate all the e-waste items collected.

Students brought e-waste discarded items like mobile phones, batteries, set up box, Wi-Fi routers, calculators, CD's, adapters, C.P.U, monitor, Laptops, extension cords, headphones, earphones, electric tools, remote, mouse, keyboard, and so on.

Outcome:

Through this community outreach program, students became aware and shared with the community about the hazards of e-waste recycling by the unorganised sector and educated them about alternate methods of disposing their e-waste. Students also made a handmade banner of cotton cloth and painted it. They had spread awareness to other students about the harm effects of flex banner to the environment, whereas cotton cloth banner is environment friendly. Students also decorated the e-waste collection box with colours. Handmade banner made them to work together in groups and promotion of e-waste collection drive in the college developed leadership qualities among themselves and sensitivity towards environment.

Dr. Shilpa Malani along with her **454 students i.e 289 female, 165 male students and 5 faculties** participated in this e-waste recycling drive.

E- Incarnation Recycling Pvt. Ltd. recycling company was invited to collect and dispose off e-waste in an eco-friendly manner and provide us with destruction certificate.

E- Incarnation Recycling Pvt. Ltd. (ERPL) is one of the few Governments Certified Maharashtra Pollution Control Board (MPCB) electronic waste recyclers in India. ERPL was conceived and established in 2010 with the ambition of creating a greener future by recycling and disposing of hazardous, end-of-life electronic products in an environmentally sustainable manner, to conserve and protect our environment.

Last year we had collected 370 kgs of e-waste in April 2022. This year we collected almost double i.e. 772 kgs of e-waste. This drive generated revenue of ₹17,832/- which was deposited in college fund. SI.A. Junior college and The SIA College of Health Sciences College of Physiotherapy also participated in this drive. Total e-waste collected was 772 kgs where 762 kgs was collected by The S.I.A College of Higher Education and 10 kgs was collected by The SIA College of Health Sciences College of Physiotherapy.

शासन परिपत्रक :

रयतेच्या हिताचा कारभार कसा असावा याचे सर्वोत्तम उदाहरण म्हणजे छत्रपती शिवाजी महाराजांनी केलेला राज्यकारभार. शेतकऱ्यांच्या भाजीच्या देठासही मन न दाखवणे, अशी आज्ञा देणारा इतिहासातील पहिला राजा म्हणजे छत्रपती शिवाजी महाराज. परकीय आणि स्वकीय अशा जुलमी सत्ताधिशांशी वतनदारांशी अनेक लढाया, युध्दे लढून या महाराष्ट्र भूमीत स्वराज्याची निर्मिती केली. जुलमी राजवटी संपुष्टात आणणेसाठी सर्व जाती-धर्माच्या अठरापगड बारा बलुतेदार, जिवाभावाचे मावळे एकत्र करुन हा लढा दिला. जनतेसाठी कसे राज्य करावे याचा आदर्श निर्माण केला. आपल्या राज्यातील जनतेसाठी, शेतकऱ्यांसाठी अनेक वटहुकूम काढले. मराठी भाषेतून राज्यकारभार चालविण्यासाठी छत्रपती शिवाजी महाराजांनी राज्यभाषा व्यवहारकोश तयार केला होता. या ग्रंथामध्ये फारसी शब्दांच्या संदर्भासाठी संस्कृत शब्द दिलेले आहेत. या ग्रंथाद्वारे महाराजांनी व्यवहाराचे मराठीकरण करण्याचा प्रयत्न केला.

छत्रपती शिवाजी महाराज हे महाराष्ट्राचेच नव्हे तर अखिल भारत वर्षाचे प्रेरणास्थान आहेत. राष्ट्रनिर्माता असलेल्या या महापुरुषाच्या, लोककल्याणकारी स्वराज्यातील महत्वाचा दिवस म्हणजे ६ जून, १६७४ म्हणजेच **"शिवराज्याभिषेक दिन"** होय. हे रयतेचे राज्य शाश्वत, चिरंतन रहावे म्हणून या दिवशी रायगडावर छत्रपती शिवाजी महाराजांचा राज्याभिषेक झाला होता व शिवाजी महाराज छत्रपती झाले होते. याच दिवशी स्वराज्याचे सार्वभौमत्व दुर्ग रायगडाच्या राजसदरेवरुन घोषित झाले. याच दिवशी श्री शिवराज्याभिषेक शकाची निर्मिती करुन महाराज शककर्ते ही झाले, तो हा शुभदिन होय. याच पवित्र दिवशी शिवकालगणनेला प्रारंभ झाला होता. छत्रपती शिवाजी गहाराजांचा राज्याभिषेक दिवस स्वराज्याची, सार्वभौमत्वाची, स्वातंत्र्याची प्रेरणा देणारा दिवस आहे. हा दिवस "शिवस्वराज्य दिन" म्हणून साजरा करण्याची मागणी विविध स्तरातून होत आहे.

The objective of this endeavor is to encourage citizens to collectively participate in the prevention of, and the fight against corruption and to raise public awareness on this very important issue. This year also Vigilance Awareness Week is being organized from 31st October to 6th November 2022 on the theme "Corruption free India for a developed Nation".

The Observance of Vigilance Awareness Week should commence with Integrity Pledge. The pledge can be taken at www.pledge.cvc.in You are requested to inform and motivate all the stakeholders of your institution, including faculty members, staff, and students of your college to take the Integrity Pledge at this website.

The NSS volunteers should be deployed for information circulation, motivating youth for the pledge, outreach programs, and for the organization of activities pertinent to the organization of this week.

Need session for Men's rights

Need to spread awareness on how women's exploit their rights against mein
There are loopholes in laws which were overlooked,
Am disappointed by ma'am ☹

This session was informative, however the presenter sounded a bit biased towards Womens and that reduced the charm of the session.

What about of Right of male, your opinion

Keep this good work going.

The purpose of the session was to create awareness among students regarding the concept of mental health and various issues pertaining to it.

The session began with a formal introduction of the resource person, Mrs. Radhika Bhosale.

The attention of all students was soon grabbed by Radhika Bhosale with relatable and out-of-the-box activities. Madam talked about various mental health issues faced by teenagers at the present time. The interactive discussion on importance and prioritisation of mental health continued further elaborately. Mrs. Radhika made excellent use of concept charts and props to demonstrate various aspects of self-worth, confidence and mental focus.

It was a very interactive session. The session ended with a vote of thanks. The session turned out to be fruitful and the purpose behind conducting the session was served well.

A total of 94 students participated in the session out of which 28 were male participants & 66 were female participants.
