### **Bankers and Movers club**

After the advent of Liberalization, Privatization and Globalization, the doors Of Indian economy were opened to the world. As a result of which Private and Foreign Banks came into business in India. This has created stiff competition in the market. There is a huge requirement of trained, qualified and competitive Banking & insurance manpower. To prepare employable workforce in B&I through Industry interface, Bank visits and projects and presentations this Club was formed

Objectives :

- To involve students in extracurricular activities
- To provide opportunities for student leadership and participation beyond classroom setup and academic programme

Various activities are organising by the department under the club 'Bankers and Movers' such as Industry interface, Bank visits and projects and presentations ,competitions etc

### Investment awareness Program Report

Banking and Insurance Department had organized a session on "Investment awareness program on Exchange traded Commodity Derivatives on 22<sup>nd</sup> September, 2022 at 10.00 a.m. in the auditorium. Mr. Amogh Ghotoskar was the resource person for the session. Amogh sir covered the following topics in commodity derivatives.

- 1) Trading Cycle (Contractual terms, Clearing services, Settlement)
- 2) Spot Commodity Market
- 3) Derivative Commodity Market

He also told that precisely there are 152 commodities to choose from for investment/arbitrage/hedging/speculation purposes.

He recommended the following four commodities for investment

- 1) Gold/Bullion – Long hedge & Short hedge strategies, most gold into India comes from Switzerland, Dubai & Finland. Price is determined on the basis of purity.
  - 2) Crude oil- Types of oil indexes are-WTI /ASCI, BRENT CRUDE, DUBAI CRUDE. Ancillary products are fibers, polymers, furnace oil, petrol /diesel, aviation turbine fuel. India imports crude oil from Iran, OPEC, Russia, Ukraine and USA. It is found in the form of sour and sweet.
  - 3) Soybean – Reasons to invest are To enhance physique, endurance, stamina, standard of living, looks, going vegan etc. Alternative for lactose intolerant people. Most important component for athletes, bodybuilders, weight lifters etc.
  - 4) Copper- Only commodity used in mostly all business activities, mainly used to make wires in the form of copper cathode (99.99%cu) demand is extremely high.
- 68 students from second year and third year of banking and insurance attended the session.

## IBPS workshop Conducted By Ashmita Foundation (NGO)

IBPS workshop conducted by Ashmita Foundation (NGO) at The S.I.A College of Higher Education under the Co-operation of Banking & Insurance faculty for the students. It was very useful workshop for the students those who want a career in government banks at a reputed post.

There is a lot of scope in banking sector for that right candidates are required. Recruitment in banks is done through IBPS exams.

There were 2 professor who provided detail guidance about English, Maths & Reasoning paper. They shared paper pattern with us.

Some extra knowledge was also shared such as starting salary of PO is ₹32,000. Bank employee get loan at the rate of 5% interest. Everyday editorial article reading should be done in The Hindu Newspaper. The phrase Attitude with Gratitude was explained with the example.

English subject professor given English subject paper pattern.

Paper pattern of English subject

- Types of question asked in exam
- Synonyms, Antonyms
- Fill in the blanks
- Cloze passage
- Spotting errors
- Sentence correction
- Jumbled paragraphs
- One word substitution
- Idioms and Phrases
- Reading Comprehension
- match the following

Some math tricks about proportion, ratios, probability etc were shared by the maths professor.

Some tricks about Series, Reasoning were also shared. Reasoning was explained by the professor.

It was a great workshop students learned so many things and students are motivated as professor have shared case study also. We students are great feel good that we have choose The S.T.A college of Higher Education and college is working hard for the students so that students can succeed in life.

## Report Writing on IBPS workshop

Date :- 11/03/23

I'm Vaishnavi Pandey from SYBBI. Our College organized the workshop on IBPS (Banking Exams) association with Asmita foundation. The workshop was very useful for the Banking and Insurance Students. Sir has given the so many information about IBPS exams and also discuss about the pattern of exam which was we really don't know. Sir also told sayed, that; In the IBPS preliminary exam there is three subject English, Numerical ability and Reasoning Ability which contain the marks 20, 35 and 30. And in the Main exam there is 48. Reasoning & Computer Aptitude, English language, Data Analysis and interpretation, & General Economy / Banking Awareness.

Sir has also discuss about the type of questions which can come into the exam. Sir has given the so many tips to concentrate on studies which was very beneficial for us.

Then the Maths Sir has come and he taught us the short cuts of methods and also he said in the school time marks was given for the decoration but in this IBPS exam it will only based on the answer not on the decoration you did.

He has taught us so many methods to solve the problems in the easy way which was very useful for us.

Though out the workshop was very beneficial for us. Get to learn so many new things and tips about the concentration.

Dear Sir/Madam

Greetings from Samarpan Corporate!!

This has reference to the discussion we had with you on holding Yoga and Stress management Programme for Teachers and for students of your esteemed Institute.

We are giving below, a brief introduction of ourselves along with the proposed plan of the workshop..

Today, men and women and even children very often find themselves to be under tremendous stress due to hectic life style. Constant demand on time and energy is being made by the Society, resulting in an imbalance in life, leading to many diseases, including depression and leading to even suicide.

Samarpan Yoga and Stress Management workshops are conducted for Schools, Colleges, Corporations and Industries all over the world free of cost and are totally secular in nature.

The Pandemic of Covid-19 has affected the whole world and turned our life upside down. The sudden change of lifestyle and uncertainty is causing increased anxiety, depression, emotional dysfunction etc.

The Work from Home culture in the Lock-Down period has affected society in many ways. There is a sharp increase in the demand on time and energy as the teachers have to learn new ways of handling classes. Students are also complaining of stress and this affects their focus and attention. There is less recreation, negligent social interaction and limited fitness regime for everyone. The 'Role Models' of students are themselves under stress in this changed scenario.

In addition to the fear of illness, we are battling with an increased feeling of insecurity, depression and financial concerns. The result is an imbalance in the physical, mental and emotional wellbeing.

In these turbulent times when we have to depend on ourselves for protection and stability, meditation is one of the anchors through which one can survive in the turbulent times. As a strong individual can come out a winner in any situation. And Yoga offers best stress management as seen in these tough times.

Samarpan Meditation is an age old, unique meditation technique based on ancient meditation practices, enabling one to connect with one's inner self. This Meditation can be practiced by any person irrespective of caste, creed, religion, colour, nationality, age or gender. This ancient Meditation method

does not propagate any religion or culture and is taught free of all costs all over the world.

Yoga Prabha Bharati Seva Sanstha Trust (YPBSST) was established in the year 2000 with the purpose of propagating Samarpan Meditation and its benefits, across the globe. Samarpan Meditation has been accepted and practiced regularly by people from many countries.

**Benefits of Samarpan Meditation :** Regular meditation may bring about complete balance in an individual, When a person is balanced and able to connect with the Divine, then his/her life becomes balanced and it is then possible to grow physically, mentally, socially and spiritually and to experience wholeness and the resolving of problems in each of these areas of life.

**At physical Level :** As the level of meditation improves, one becomes free from diseases and the level of immunity increases, resulting in a healthy body.

**At Mental Level :** It leads to freedom from mental problems like stress, fears, worries, feelings of guilt and depression. Freeing oneself from thoughts of tragic incidents of the past and worries of future, leading to a happy and peaceful life by living in the present.

**At Social Level :** Satisfaction, peace, joy, success and prosperity in all spheres of life resulting from a fully balanced state. One enjoys stability and feel a sense of completeness within.

**At Spiritual Level :** Through meditation due to a state of thoughtlessness, experience of the vibrations and gradually getting spiritual experiences leading to self-realization through the grace of Divine.

#### **Proposed Plans :**

**Yog & Meditation workshop : 01 day, one or two hours each day**

**No Cost involved.** Only investment from your end will be time. These talks/workshops or camps can be conducted for your esteemed School , at your convenient time..

For further clarification, kindly revert. Our team shall be happy to discuss the modalities at your convenience.

Thanking you,

With Love and Gratitude,

## Report

### FYBMS INDUCTION

Date:-06/08/2022

FYBMS Induction was organised on 06/08/2022 from 11:00AM to 12:30PM in Auditorium. Faculty gave importance of BMS department, various committees within the college and much more. Nagdeep Shetty , Ruchi Jha and Bipin Neolia further briefly spoke about the various committees and encouraged them to be the part of the committees.

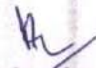

There was ice-breaking session, in which 2 games were played. The games were handled by Riya Mishra and Tanvi Bidkar . FY students had participated in both the games with full enthusiasm.

The overall program was amazing.

## Electronic Project Exhibition

Date : 12-01-2023

Techno club of I.T and maths department has organised a Tech fest NOVA TECH 22-23 ON 12/1/2023. In this Tech fest the department kept an exhibition of electronics projects completed by FYIT A students as an Experiential learning of the subject DLA (Digital logic and Analysis).

The project guide of this project was Mrs. Shubhangi.A. Daptardar. The following is the list of projects exhibited during the events:

Sr. No.	Project Name	Students Involved	Use Of The Project
1	ODAPS (Object Detection and Proximity Sensing)	<ul style="list-style-type: none"><li>• Dhanush Manoj</li><li>• Micheal Sagai Joe Rosi</li><li>• Mahesh Yogesh Bhagwat</li><li>• Keshar Madhu Singh Chadana</li></ul>	Detect the object in front of a camera and calculate the distance between it and the camera.
2	Smart Dustbin	<ul style="list-style-type: none"><li>• Aman Omprakash Savita</li><li>• Ayesha Maheboob Shaikh</li><li>• Aishwarya Vijay Mane</li></ul>	Open and close automatically and reduce physical contact which lowers spreading of germs and thus, diseases.
3	Vacuum Cleaner	<ul style="list-style-type: none"><li>• Rahul Arvind Awasthi</li><li>• Rahul Rakesh Gupta</li><li>• Sakshi Sabaji Desai</li><li>• Shruti Madola Gaikwad</li><li>• Trayambakeshwar Suresh Mishra</li></ul>	Clean surfaces easily by using suction power.
4	Alarm Buzzer	<ul style="list-style-type: none"><li>• Durwang Raghunath Gawade</li><li>• Yash Santosh Mantri</li><li>• Shruti Manoj Shahu</li><li>• Sejal Deepak Pote</li></ul>	Make an alarming sound when laser is obstructed i.e., Door is opened or closed.

5	3D Hologram	<ul style="list-style-type: none"> <li>• Shikha Shobinath Jaiswar</li> <li>• Aarti Dwarka Mahato</li> <li>• Kinjal Anil Kumar Bhardwaj</li> </ul>	Visualisation of 3D geometry in real space.
6	Flour Mill	<ul style="list-style-type: none"> <li>• Zoya Abubakar Makandar</li> <li>• Harshali Vaibhav Khair</li> <li>• Drishya Rameshwar Chaubey</li> </ul>	Portable mini-version of industrial flour mill.

The students from different classes visited the exhibition and interacted with the students. All the faculty members of the department were present during the exhibition and provided guidance to the students for the successful execution of the program.

The event motivated the other I.T students to take up the project work seriously and to bring in more innovations in the work that can be helpful to the society.

The number of student visitors are

Female:63

Male: 57.

All those who have visited these projects enthusiastically interviewed these students and gained a lot of technical insight. All the staff enjoyed and were proud of these projects and appreciated the students. These projects have sparked curiosity and enthusiasm in the minds of other students which may help them to present their projects in the coming events.

**Outcome:**

The participants gain excellent knowledge about the subject.
