CURRICULUM FEEDBACK COMMITTEE REPORT 2018-19

INTRODUCTION

The institution collects feedback on curriculum from different stakeholders such as students, parents, teachers, employers and alumni. We have designed google forms to collect the data from each stakeholders. Once the feedback is collected, it is analysed and suggestions given were considered and the necessary actions were executed to enhance the institutional quality.

OBJECTIVES

The main objectives of the feedback system are as follows:

- ✓ To understand the current scenario of the curriculum and the practical applications to identify industry academia gap from Parents, Employers, students, alumni and teachers.
- ✓ To assess students' overall level of satisfaction on different aspects of the curriculum offered and facilities provided by the institution to enrich the curriculum.

1) CURRICULUM FEEDBACK:

The curriculum feedback has taken and analysed from student, parents, teachers and employers.

Name	Objective	Responses	Findings
Curriculum	To understand the current scenario of the curriculum and the practical applications to identify industry academia gap from Parents, Employers, students, alumni and teachers.	Students:54 Faculty:22 Parents:13 Employers:08 Alumni:155	**a)Students** • The course has to stimulate students interest and thought on the subject area and should contain more practical applications. **b)Faculty** • Syllabus need to be made more practical oriented as per the requirement of labour market. Certain recent topics need to be added and students should be given hands on training **c)Parents** • Curriculum should be more practical oriented

			d)Employers • Curriculum should reach the industry requirement and to reduce the gap between industry requirement and curriculum implementation. **e)Alumni** • Syllabus should be updated as per industry expectation and should be useful for subject domain skill enhancement

CURRICULUM FEEDBACK AND ACTION TAKEN REPORT

The curriculum feedback has taken and analysed from student, parents, teachers and employers,

This feedback covered parameters such as importance of curriculum

- In terms of securing Job
- For stimulating student's interest and thoughts on the subject area
- Enriching students intellectually
- In providing hands on experience
- Industry representation in advisory boards for curriculum revision.
- In terms of gap between industry and academics

Areas of Improvement	Suggestions from stakeholders	Action taken
• Gap between industry expectation and academics • Practical exposure of curriculum	• provide practical exposure • Reduce gap between industry and academics.	• The findings will be conveyed to Board of studies subsequently at the time of curriculum revision and during syllabus workshops • Initiative taken to conduct short term courses (In-house & NPTEL) • Industry experts lectures are organised to provide exposure to industry expectations • Industrial visits
