b. Faculty Strength :

1. Teaching Staff	20
2. Non-Teaching Staff	11
3. Visiting Faculty	10

Our initiatives after accreditation.....

The year 2016-17 is the year of assessment and grading. The S.I.A College of Higher Education constantly strives for academic excellence. It's a moment that the NAAC accreditation ensued in the 6th year which gave us an opportunity to assess our strength and take necessary measures to overcome our challenges and aim for further growth and progress. To bring growth in every sphere, the IQAC of our college play a significant role by providing suggestions to take the institution ahead. The year 2017-2018 played a vital role to focus on recommendations given by the NAAC for quality enhancement of college.

The NAAC suggested to improve our results, in this aspect the IQAC suggested devising innovative practise to enhance academic performance. The departments conducted mid-term tests, preliminary examinations, class tests, etc., Along with it to develop writing practises the college initiated to maintain journal books for various subjects which helped the students to prepare for their examination. These efforts has increased our results in semester II/IV/VI

FIRST YEAR

1	Orientations Course	5
2	Short Term Professional Course for Development	5
3	Faculty Induction Program	2

Research and Consultancy:

IQAC suggested bringing various in-house and industry projects. The Department of Information Technology and Mathematics took initiative in order to develop software for in house and industry

Our Industrial Initiatives...

*The road to success is not easy to navigate, but with hard work, determination and passion, it's possible to achieve any dream.....*a dream called as **SIA-TechLink** which made a humble beginning as incubation cum research centre with its first Industrial project for M/s Firefly LED Products Pvt. Ltd. in 2015 seems a reality now. The centre has not only served as software development hub but from academic year 2016-17 it has started the training sessions to enhance the programming skills of the students.
