Suggestions (if ,Any)(LIBRARY)

Change the librarian

Increase the facility of books
Space is not sufficient
Should treat students kindly
Have to provide help in emergency
Communication problem
Increase the number of books of IT faculty
librarian not proper
Increase the quantity of books
Library software is very weak and not useful. It seems to be poor server as server down occurs so many times.
Increase the quantity of the books and start manually as we can get from library as well so that when the site is unavailable we can get the book manually.
Improve the library software
Its nice There are also extra motivational books available in library
its nice there also motivational books available in library
Wash rooms are not good condition
I not like book request processing
Give good response to students
I am try book requests but any time is references book not available
Please change the book issue process of the library (the earlier process was good)
Pls available reference book for 2 days
I think library should issue atleast 3 book so that will not face any problems during their exam
No suggestions
Books are not available when required
Keep books available
