Report on the workshop-"Trends in data analytics and data sciences"

Date:26th and 27th February,2021

Platform/place: Microsoft Teams

Resource person: Mr. Madhav Mishra

The session of the workshop-"Trends in data analytics and data sciences" was hosted by Sonalika Singh from Msc.IT part-1. The workshop started with the digital lighting of lamp, since light is the symbol of brightness and prosperity and brings warmth to all positive vibes which spreads out.

The Goddess Saraswati is the authority of the academics and arts, under her guidance and knowledge our session was started with Saraswati Vandana. After Saraswati Vandana our principal Dr. Padmaja Arvind Mam, addressed us with the importance of data analytics as a career in the future. Moving further our HOD Mrs. Sreekala mam welcomed our resource person by addressing him.

Sonalika Singh gave a brief introduction of our Resource person Mr. Madhav Mishra. Mr. Madhav Mishra started workshop by giving a introduction to data science with some past experiences of his works, achievements and some practical applications were analytics is applicable. To make the workshop more interactive QA's were conducted after end of each topic.

Madhav sir moved on to introducing the FY students to some popular digital platforms like LinkedIn and GitHub. Basics of Python were covered with the live programming session, were some packages like Numpy; Pandas and Matplotlib were introduced and were practically performed. The last QA session was conducted further.

**DEPARTMENT OF INFORMATION TECHNOLOGY &
MATHEMATICS**

The Department of Information Technology & Mathematics organized IT Orientation lectures for FYIT students on 24th & 31st July 2016. Mr. Ranganathan, the Treasurer of SIA Management was the speaker on the occasion. He gave an inspirational speech to the students introducing them the basic principles in hardware and software and how the field of IT has changed the lifestyle of a common man. He asked the students to write a composition on

"Impact of IT in our day to day Life". The students participated with great enthusiasm in the essay writing composition. The winner was Ms. Sapna Rode was rewarded during the next session.

Mr. Ranganathan wanted the students not restricted to get to academic proficiency alone but also bring out their inquisitive attitude through which they can gain insight to the various emerging technologies. Students also prepared PowerPoint presentations in groups about the various operating systems and how the computers have evolved from the early days to the current modern technology. The students enjoyed and actively participated in the same.

To,

The Principal
The S.I.A. College of Higher Education

Subject : Session on "Career Guidance" for final year students – by Senior Professors of
NCRD's Sterling Institute of Management Studies, Nerul, Navi Mumbai.

Dear Sir / Madam,

It gives me immense pleasure to share with you that we are conducting a session for "Career Guidance" and awareness about CET for final year students who are at their crossroads to decide their careers. For this following faculty will visit to your College:

Prof. Dipali S. & Prof. Rahul W.

The objective of this activity is to motivate the students to choose the right career according to their capability and interest and provide guidance about entrance exams, free CET coaching, career planning and admission process.

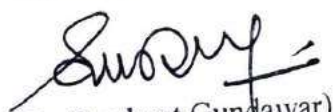

We require 40 minutes interaction/presentation with your final year(UG) students. If the more number of students are there from different streams then separate interaction/presentation can be arranged on the following topics.

- Career Guidance : 15 minutes.
- CET Awareness : 15 minutes.
- Q & A Session: 05 minutes

In addition to this we are organising free CET coaching in our institute for all the students. Interested students from your esteemed college can give their names to our faculty members. So I request you to facilitate this activity.

Looking forward for your cooperation.

With Regards,

(Dr. Prashant Gundawar)

Director

Report on Guidance Lecture – Interview for TY students

Date – 28/01/2020

Venue – Classroom, The S.I.A. College of Higher Education

Held by – Naresh Binveni, Sonalika Singh, Amey Gamare, Kirti Mishra (TY I.T. students, batch 2019-2020)

Topics discussed –

- What all should one include in a resume
- Process of the pool campus drive
- Types of questions asked during an interview
- Students (TY) experience while giving interview for different companies

TY students started the session by giving their introduction, followed by asking their juniors to give their introduction and saying few lines about themselves. Here, they (TY students) also helped their juniors by telling what they should or should not include for their introduction (based on their (TY students) experience).

They also discussed about the format of resume and what where the mistakes they made while creating their own resume. Then they gave them a brief idea about the process of a pool campus drive. They also discussed about some of the common stages of a campus drive which every company includes.

Followed by this, one by one they discussed about the question asked to them during an interview and what kind of answer they gave for those questions. They shared their own experience while attending a campus drive and with this they concluded the session.

At the end there was a QnA round which was interactive and useful for the students.

Report on three Day Workshop On "Machine Learning With Python"

The IQAC of The S.I.A. College of Higher Education in association with Department of Information Technology and Mathematics organized three day workshop on Machine Learning using Python for all IT/CS Students from 13th May 2020 to 15th May 2020. This was an online session which provided an opportunity for the students to work in machine language as it will be useful for project work and future research.

The session was conducted by Mr. A. Sankaran, Assistant Professor, Manakula Vinayagar Institute of Technology, Pondicherry. We received an overwhelming response from the students in and around Mumbai.

The Day 1 session began with an inauguration speech by Mrs. S. Sai Sree, Assistant Professor, The S.I.A. College of Higher Education, Dombivli (E), Thane District. The 3 day work shop was divided into 6 sessions. Every day from 9.30 am to 11.30 am Theory and the practical session of the same was scheduled from 1.30 pm to 4.30 pm.

Day 1 session comprised of topics like python basics, installation, IDE and functions. Day 2 comprised of advanced python programming topics, using python libraries, graph plotting, Introduction to machine learning and algorithms related to supervised learning. Day 3 comprised of unsupervised learning and semi supervised learning and working with CSV and excel files and creating matrix.

The students were given practical demonstration of the concepts, and were asked to execute the same in their laptops or desktops. The doubts were also simultaneously cleared. The codes were shared to students for their benefit.

The Valedictory was given by Mrs. Tejaswini Shivsharan and feedback and questionnaire through google forms were circulated to students. Totally 239 students undertook the online test and 199 of them secured above 40%. Around 70 teachers also participated in the workshop.

Teachers and students thanked The S.I.A. College of Higher Education for taking up the initiative and organizing such programs for the benefits of both students and teachers.
