Dr. BSV

July 01, 2016

Respected Dr. Anil ji,

Warm Greetings!

It is an honour to invite you and your esteemed institutions to join us in a global forgiveness moment – The Moment of Calm. In this stressful world, the Moment of Calm initiative aims at bringing calm in the hearts of people through the practice of forgiveness.

You will be pleased to know, last year over 13.3 million people participated from across the globe, including Morocco, UAE, UK, Spain, USA, India, Singapore, Indonesia, China and Taiwan. Organisations, schools, colleges and universities from different parts of the world joined in this momentous moment.

Research has proven that people who are more forgiving of others are happier and less likely to experience negative health effects of stress. They are often able to resolve conflicts more easily, repair damaged relationships with friends or partners, and may experience higher levels of empathy and increased positive feelings.

Towards this goal, we request your esteemed self and your institutes to join us in this noble initiative. Your participation will go a long way in making the world a place of peace and harmony.

The Moment of Calm is observed on August 2 at 2 pm local time by people all across the globe. You and the members of your institutes can participate from wherever you are.

To participate:

- Observe 2 minutes silence
- Forgive all wrongs done to you and by you
- Feel the peace

A line of confirmation with regards to your participation along with the total number of participants from your institutes would be appreciated. (E: forgive@sadhuvaswani.org. Ph: 020-26055640)

May we request you to circulate this to all the institutes under your jurisdiction.

GOVERNMENT OF INDIA

Date: August 07, 2016

Gurubhyonamah!  
SaadarPranaam!

My salutations to all the Principals and teachers.

As the Minister for Human Resource Development of the Country, I write this letter to all the Principals and Heads of educational institutions giving my good wishes and my heartfelt support for your efforts in spreading knowledge, and liberating millions from poverty and ignorance.

This is also to remind you all that our existence in this free, prosperous Country is thanks to the sacrifices made by millions of freedom fighters, who braced violence peacefully, suffered atrocities with silent but eloquent bravery, and stoically sacrificed their personal gain for the future generations, that is all of us. The free air that we breathe in this country is therefore the gift we got from our past few generations, who martyred themselves so that we have a bright future.

As the students in our educational institutions come with stars in their eyes and dreams about the future that are going to have, it is essential that they know our past, the sacrifices made by the thousands of martyrs who have made this dream possible. When we remember them, and understand what toil has gone into making of our Country, we understand the responsibility cast on us to use this precious gift of freedom with care.

What better day than this Independence Day to remind all our students about this? That's why Government has decided to celebrate "Azaadi 70" "Independence 70" from 9<sup>th</sup> to 23<sup>rd</sup> August 2016. During this period, I urge your institution to take up a fortnight of programmes involving the faculty and the students to focus on the theme of 'YaadkaroQurbani', learning about the sacrifices in the freedom struggle. The activities that can be taken up are:

1. All students visit the villages/birth places of freedom fighters in your vicinity and explain how they have fought for freedom.
2. Celebrate the Quit India Day (9<sup>th</sup> Aug), and recap the JallianwalahBagh through skits, plays, singing of patriotic songs in the college.

Page 1 of 2

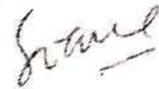

3. Conduct sporting events in your institution with 'Azaadi70' as the theme.
4. Conduct competitions in essay writing, quiz, debates, painting/drawing on life & history of icons of freedom struggle and in singing of patriotic songs.
5. Conduct Independence Day run near your institution with all students inviting the elders who were born in 1947; and also Candle light freedom march in the campus and in all the major centres in the evening on 14<sup>th</sup> August.

As leaders of the institutions of learning, I request your sincere cooperation in organising the above. I request you to conduct these events and tweet the same using social media so that more people can get inspired by your efforts and the whole Country gets charged by your effort.

Together, let's make a better India, a Nation that lived in the mind of Gandhiji.

Jai Hind.

Yours sincerely

## From Principal's Desk:

Memories, Memories and memories... our life is filled with memories which brings a smile in our face whenever we look back the path that we have taken. When I turn back and look at my SIA Pariwar all I remember is that we are growing and crossed several milestones in the last five years. Every year brings new hope and new memories and this year too started with frenzied preparations for our NAAC. We are accredited with B' grade in our first cycle and this year our students brought laurels to our college. Our Alumni Mr. Ashutosh Lokare represented India at the International Judo championship and won bronze medal and our student Priyadarshini Nadar has been selected at national level Tug-of-war competition. Our Sports and Students Council team has worked tirelessly to bring up the best out of our students in every arena. The Annual Cultural fest Sparklers 2016 is on 20th and 21st of December 2016 and this year we have lots of attraction for the students. Sparklers 2016 goes with the theme "Let's capture every moment..." As the saying goes every moment is a memory and lets capture these beautiful moments and cherish them through our lives. Connect and relish with us forever as memories....

College life is the best phase in every one's life and the memories that we carry with us last life time. Sparklers 2016 is a platform for the students to hone their skills and showcase their talents. The event has been spread over two days and provides opportunity for every student to showcase their skills. "Sparklers" invites you to dare to dream.
