Hello Ma'am,

Good Afternoon!

Hope you're doing well.

I understand that you are extremely busy with various college events, thus I am sending this e-mail to update you about the program.

With your immense support and co-operation, we have reached the final stages of our training program. We would like that our students at SIA from all three batches should get the opportunity to participate in a career fest as soon as possible. Therefore, we would like to make them participate on the career fest conducted by us on **8th March, 2019**.

For the same, we need to finish their training before 8th. Since many students are going to be occupied with their IVs from **26th February**, we are planning to complete training latest by **22nd February**, so that students can go to their IV carefree, and come back rejuvenated, and in time to **crack interviews** and gain placements.

Please do check if these dates are appropriate according to the college. In case of any changes, please let us know.

Thanks & Regards,

Kangan Chhibber
