## **Report: Gender Equality in Reality**

Date:8<sup>th</sup> March, 2022

On the occasion of International Women's Day Women Development Cell of college organized session on "Gender Equality in Reality" on 7<sup>th</sup> and 8<sup>th</sup> March, 2022.

The purpose of the session was to create sensitization among youth regarding the various issues and challenges faced by the different genders.

Prof. Rooshikesh Jade was the speaker of the session, who also work as a parenting coach and certified educational consultant.

The session started with the brief history of Women's Day by Ms. Babita Nagdev.

Mr. Rooshikesh began the session with the problems faced by women and expectations of our society from women. He explained how the Indian society expect from the men to play a traditional role of bread provider, saviour, strong, aggressive, the one who take decision and women need to play the role of care taker taking care of family and kids. But sir emphasis that for the growth and development of society these traditional roles of men and women need to be merged together.

Sir is of opinion that Gender equality or building positive role models comes from home. Sir was of the opinion that gender biases need to go away. In order to remove the gender biases the youth has to play a very active role. Youth need to start building positive role model for our society.

Sir concluded the session with the views that we need gender equality today so that we can have a society which is free form gender biases.

It was a very interactive session and beneficial to the students.

A total of 177 students attended the session out of which 80 were male students&97 were female students.
