Report - Outbound learning: Sensitivity towards environment

Date : 26-4-2022

Eco Club of The Sia College of Higher Education Dombivli East organised a field visit tour at college campus with the objective to create environment awareness among students of FYBCOM, FYBMS & FYBBI on Tuesday, 26th April 2022 at 10 am

Aim:

To develop interest of students in studying and observing various trees and plants, their leaf shape and size, spending time in appreciating flowers and tall trees. Walk from sunlight to shade and make them realize, how trees protect and soothe us.

Activity:

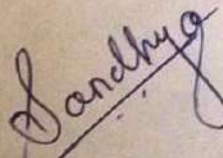

Dr. Shilpa Malani along with Nitin Dada Peon informed students about composting pit at college where dry waste and wet waste along with cow dung is inserted into pit and within 6 months manure is processed and used as manure for plants.

Students also came to know about the Rainwater harvesting done at college where rainwater is collected and stored in well through chambers and water is reused for gardening as well as for other purposes.

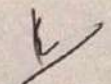

Students also came to know about the various medicinal plants, rose garden and butterfly garden available at college campus.

Outcome:

The participants came to know about various green initiatives taken by college to save our environment. Save, recycle, and reuse water as and when possible. 69 Female beneficiaries and 46 Male beneficiaries i.e 115 students participated in this visit.
