**About the College**

The S.I.A. College of Higher Education promotes holistic development of students through value based education, skill development and real time learning. The institution encourages students and faculty members to adapt to changing trends and latest technology.

The Department of Banking & Insurance of our college plays a vital role in shaping all round personality of the students by organizing various events through its "Bankers and Movers" Club. It focuses on the training and practical approach by using modern technology, industry interface, Bank visits, projects and paper presentations to create employable workforce.

**About the Seminar**

The BFSI Sector is one of the fastest growing sectors that can bring a change and revolution in the economy. COVID-19 has already had a significant impact on the global financial markets, including India. Indian BFSI companies have adopted to a rapid changes during and post Covid-19 period in the form of full digitalization and made us tech savvy in financial sector. The changes such as disruptions to physical operations, impact on asset quality and liquidity, and demand pressure on digital

channels, have posed challenges to financial institutions across key functions. Through the pandemic, the BFSI has enhanced processes and adapted to changes with best governance practices.

In this pursuit, the Bankers and Movers Club of our college is organizing a seminar for students of various colleges.

We cordially invite the research papers from the students.
