## Subject: Participation in KAASH Foundation's Rural and Tribal Community Outreach Program

Dear Dr. Padmaja,

We, at KAASH Foundation are extremely grateful for your institutional participation in our Rural and Tribal Community Outreach Program (RTCCOP). We were delighted to see the college's willingness to step up and join our donation drive to collect clothes, books and educational toys for the children at Vikarngad in Palghar District. We should be assured that this simple act has indeed borne fruit as parents could see their children glee at the toy area set up for them and the wide array of clothes they had at the clothes section.

A taluka in the Palghar District of Maharashtra, Vikarngad has recorded the highest cases of malnutrition in the last few years, and it has only increased since the outbreak of the pandemic. KAASH Foundation (a Mumbai based registered N.G.O, working on the four verticals of Education, Environment, Health and Heritage) wishes to undertake a pilot project of one year to curb malnutrition in the taluka. The project will consist of regular health check-ups, health camps and provision of nutritious dietary supplements. The donation drive was one such initiative of the year-long project.

We thank you once again and sincerely hope to continue this association with you and The S.J.A. College of Higher Education, Dombivli.

With Warm Regards,  
Team KAASH Foundation
