Swachh Bharat Abhiyan

एक कदम स्वच्छता की ओर

Why Swachh Bharat is not working on the ground  
Modi government says six crore toilets have been built since 2014. The reality is that a majority of these toilets exist only on paper

USE ME

First, we start with PM Modi's constituency Varanasi. A nationwide survey Swachh Survekshan, conducted by the Urban Development Ministry in 2017, has ranked Varanasi among the dirtiest cities in the country. Varanasi is also one of the most polluted cities in the country, and often appears at the top of the most polluted Indian cities lists.
