Report: Indian Constitution and Gender Sensitization

Date:14th February, 2022

A session on "Indian Constitution and Gender Sensitization" was organized by Women Development Cell on 14th February, 2022 at 10 am for the SYBCOM and TYBCOM students. The speaker for the event was Ms. Deepa Pawar from AnubhutiTrust.

The purpose of the session was to sensitize the students regarding the gender and the various laws mentioned in the Indian Constitution about equal treatment for all genders.

Ms. Deepa, the speaker of the session, is the director of Anubhuti Trust. She is also a counsellor and social activists who works closely with youth and deals with their issues.

The session started with the introduction of guest speaker by Mrs. Salochna Nagdev.

Ms. Deepa began the session with an activity where she asked some quick questions regarding names of scientists, singers, politicians, sports persons, etc. In conclusion it was observed that 95% of responses came were of the names of men. In the second interactive session madam asked about what comes in students mind when they hear the word Man and Women and the responses were stereotypes dividing both the genders in different compartments.

Ms. Deepa explained students about the concept of gender with very simple examples and games.

Ms. Deepa discussed in brief about laws mentioned in Indian Constitution for treating all gender equally. She sensitizes the students that this process of treating everyone equal began at home. We must understand and be sensitive towards the issues of all gender. It is not just our right but responsibility to treat all gender equal. The session was very interactive.

A total of 92 students participated in the session out of which 50 were girls participants & 42 were boys participants.
