## SIATechlink Minutes of the meeting

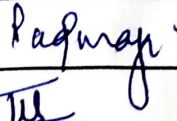

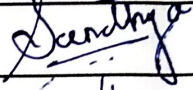

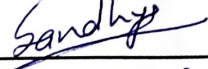

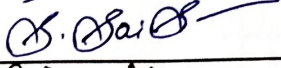

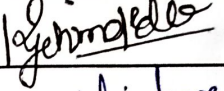

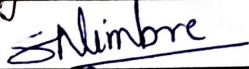

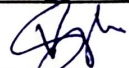

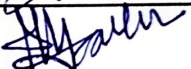

- Agenda of the meeting :
  - Introducing new committee members
  - Status of projects completed and implemented.
  - Deciding SOPs
  - Proposed activities
- 1. Mrs. Tejaswini Shivsharan has appointed as head of the SIATechlink from August-2021 till August -2023
- 2. New committee has presented proposed activities:
  - a. Deciding aptitude test format, conducting tests and selecting trainee students.
  - b. Arranging training sessions for new trainee members.
  - c. Selecting only potential projects and completing with quality, also strictly following time frame to complete the work.
- 3. Status of completed and implemented projects has been discussed and following projects has to be completed/implemented on priority basis,
  - a. SIA Attendance- Mrs.S.sai sree
  - b. SIA Feedback-Mrs. Tejaswini Shivsharan
  - c. E-ticketing – Mrs. Shilpa Nimbre
  - d. Railway concession – Mrs. Nandini Kadam and Mrs. Sandhya Pandey
  - e. Vehicle barcode system – Mrs. Rashmi Chindarkar
- 4. Mrs. Shilpa Nimbre has been appointed as project coordinator for E-ticketing project.
- 5. The committee will monitor software usages and collect feedback from users to upgrade that system.
- 6. The SIATechlink will initiate copyright process for various potential software and complete it on priority.

### *Report on training session of "Teaching plan and attendance module"*

The training session on E-Sanchalan examination software has been conducted by Mrs.S.Sai sree and Mr.Sunil Gaonkar. The software aimed to provide automation in college examination data capturing mechanism.

The following points were stressed in the session,

1. The syllabus has to be entered in the software along with the Course Outcome for each unit, the topics and the sub topics along with the planned month and the planned number of lectures for the same.
2. While entering the attendance, the faculty selects the subject, date and time of the lectures and also what was the unit, topic and subtopic taught during the lecture
3. The faculty then marks the students who were absent for the lectures and clicks the save button.
4. After entering the attendance of the entire term, by using the submenu teaching plan the faculty can generate the teaching plan for the subject.
5. The data would be retrieved automatically along with the month and no of lectures taken to complete the sub topic and so on.
6. The faculty can also generate subject wise attendance report, overall attendance report, defaulter's list for the given period.

### SIATechlink

### Project Completed during Academic Year 2021-2022

- **SIA- MIS**

MIS is a centralized data collection system developed to record various activities conducted by departments and committees in the premises. It is part of E-Sanchalan software. It is developed in ASP.net wherein database management system is SQL server.

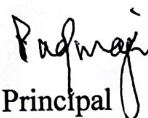

- **Online payment facility through payment gateway**

Online payment facility through payment gateway is an update in E-Sanchalan for online payment system.

The E-Sanchalan payment system will share payment link via an email on student's registered mail ids.

These links easily accepts payment in online mode without any complications. The link will get expired if payment will not done within specified time. The user can set limit to accept payments through link. The software allow to upload bank transaction report and generate fees collection report date wise.
