Preface

The South Indian Association, with the motto “Knowledge is Power” celebrating its platinum year 2023. The 75 years of travel in the field of education not only restricting to school but also ventured to establish higher education and health science. In the words of Nelson Mandela, Education is the most powerful weapon which you can use to change the world”. The association dedicated its service to promoting education and adopted different strategies to educate the stakeholders. The association visualizes the challenges and accordingly provides support and training to the faculty members and learners to face the ever- changing dynamic society and keep abreast with the new developments.

The association has prepared all its institutions to adopt technology and invested in Micro Soft teams in the year 2018 which paved a way for smooth shift to conduct regular lectures online during the Pandemic.

The goal of the institution is not only to educate but also create employment opportunity by providing career counseling, internship, and campus recruitment etc.,

“Be the change you want to see in the world” - Mahatma Gandhi

न चोरहार्यं न च राजहार्यं न भ्रातृभाज्यं न च भारकारि ।
व्यये कृते वर्धत एव नित्यं विद्याधनं सर्वप्रधानम् ॥

(It cannot be stolen, nor it is the treasure to be submitted to kings and it is the property not to be shared amongst brothers and not a heavy object to carry, even though spent it keeps growing and that Vidya (knowledge) is the only wealth which is primary wealth of all wealth.)

VISION:

"The S.I.A College of Higher Education strives for comprehensive education by equipping students with latest skills and tools to acquire competence, quality education to face the dynamically evolving society."

MISSION:

"To develop rich pool of talented employable, professionals with strong foundation on ethical, moral values and social values to become responsible citizens."

OBJECTIVES:

- To sustain quality education through training and development with industry interface in diversified fields
- To develop scientific temper by encouraging and exploring various avenues for research
- To train students for industry expectation by encouraging them for internship
- To create avenues for employment with the support of placement
- To develop the spirit of competition, social awareness and responsibility, team work through NSS, Sports and Student Council
- To inculcate the values to become socially responsible citizens

From Principal's Desk

“Travel to feel the reality of education”.....

The South Indian Association, Dombivli entered and celebrating the Platinum Jubilee 2022-23. They have spread the wings not restricting to primary, secondary education, but also extend their motto “knowledge is Power” in establishing college- The S.I.A College of Higher Education and health science-The college of physiotherapy.

The college provides different courses from undergraduate and postgraduate. It also provides various add-on courses, certificate courses, skill development courses etc to prepare the learners to become employable. We also collaborate with various organisation and agencies for career counselling, internship, and provide placements for our students. The college is always proactive and provides ample of opportunity for the students to excel in academic, extra circular, and co-curricular activities.

The college is well equipped with adequate infra structure ie. Classrooms, laboratory, gymkhana, library, computers, etc. The teaching and non-teaching faculty connect with the learners emotionally and rationally and develop the feeling as a Parivar.

We have a counsellor to enhance the mental health and provide timely support for the learners for their growth and development.

Be as Eagle – “the King of birds” with powerful talons and massive wings to fly higher and higher in life.

“Explore the inherent talent to achieve...”

Dr. Padmaja Arvind
Principal

Non-Teaching Staff Members

Sr.No	Name	Designation
1.	Savita Suresh Joshi	Sr.Clerk
2.	Janhavi Chavan	Jr. Accountant
3.	S. Mary	Jr.Clerk
4.	Ajay Puro	Lab Administrator
5.	Reshma Manoj Patil	Jr.Clerk
6.	Ajit More	Peon
7.	Dansingh Pardeshi	Peon
8.	Roshan Rathod	Peon
9.	Anil Sawant	Peon

Admission Process

MKCL Site: mum.digitaluniversity.ac

Step 1. Apply for Pre-Admission Online Registration for AY 2023-24 with following details.

1. Student E-mail ID (Gmail)
2. Proper Mobile No.
3. Passport size Scan colour Photo
4. Scan Signature

One mobile number can be registered only ones. Login ID and Password on that mobile by SMS.

*Applicant got User ID and one time pass word, then change password. ***** and don't forget. This user id and password is for perment PRN no.*

“Documents required for Application Process”

1. 3 Xerox copies of mark-sheet of H.S.C. with Original.
2. Xerox copy of Leaving Certificate of Junior College with original.
3. Xerox copy of mark-sheet of S.S.C.
4. Xerox copy of Leaving Certificate of School.
5. Xerox copy of Adhar Card
6. 2 Xerox copies of Cast Certificate if applicable.
7. 2 Xerox copies Maharashtra Domicile certificate if applicable for scholarship purpose
8. 2 Xerox copies of death certificate if father/ Mother expired .
9. 2 Xerox copies if name change or married.
10. Physical handicapped Certificate if applicable. (2 Xerox copies)
11. For Tamil Minority Affidavit if applicable. (2 Xerox copies)
12. Eligibity case (Migration and Provisional certificate) (2 Xerox copies)
13. M.K.C.L. online form submission copy
14. Anti –Ragging Affidavits (Online)
15. College admission form (Online)
16. Fees (Online)

Step 2. Application Process:

1. Upload latest photo and signature
2. Personal Details- Proper name with match L.C. and Mark-sheet, Gender, Birth date and place , Blood group, Marital status
3. Address Details- Proper, Native place address for future railway concession
4. Contact Details- student phone no and parents proper phone no
5. Reservation Details- Cast, handicapped, ex-servicemen, sports, artist, parents income(anybody can apply for EBC category base on income and domicile of Maharashtra with income certificates)
6. Education Details – 10 and 12 school and college details with mark-sheet and LC (Eligibility cases required Migration and provisional certificate) After that confirm profile details

Step 3. Other Process :

7. Course selection process
8. Last qualifying exam selection process
9. College selection process The S.I.A. College of Higher Education (College Code- 521)

Courses Offered at The S.I.A. College of Higher Education

Courses Offered (Affiliated to University of Mumbai)

Three year Integrated Undergraduate Degree courses:

(A) BACHELOR OF COMMERCE

B.Com has been a conventional course, but it has undergone lot of modifications in the subjects over the years. The present curriculum prepares the students to meet the challenges in the competitive world by providing a synchronized combination of theoretical knowledge with practical exposure.

The commerce department strives to provide a right mix of teaching and learning styles coupled with co-curricular and extra-curricular activities that will be able to address the needs of both- the high achievers as well as the slow learners. The department arranges for subject expert lectures to guide students of final year and resolve their examination-related queries. Students of Commerce are taken to field visits to provide exposure to actual working of factories.

B. Com. Programme Outcomes (POs)

Graduates of this degree will be knowledgeable across the core and specialised requirements of Commerce and Business world and will be able to:

PO1: Understand and explain disciplinary knowledge regarding major concepts, theoretical principles, modern theories and participate in the Business and Economic world.

PO2: Demonstrate knowledge of major theories and models in key and specialised areas of Financial Accounting, Cost Accounting, Management Accounting, Taxation, Banking and Insurance Operations, Marketing and Management principles, Economics, Human Resources and Operations, Research and Education.

PO3: Develop various skills such as Accounting Skills, Managerial and leadership Skills, Networking Skills

PO4: Apply basic mathematical and statistical skills necessary for analysis of a range of problems in Economics, Accounting, Marketing, Management, Banking and Finance, Insurance and Actuarial Studies

PO5: Analyse commerce and business issues in the National and international contexts in all the areas of the commerce disciplines

PO6: Apply critical and analytical skills and methods to the identification, evaluation and resolution of complex problems and meeting challenges of the business world.

PO7: Develop the ability to Communicate and transmit information and ideas effectively in both written and oral formats.

PO8: Proficiently use appropriate information technologies, computer systems and soft wares in commerce and business through practical assignments, exercises and demonstrations.

PO9: Evaluate new ideas, research findings, methodologies and theoretical frameworks in a specialised field of study.

PO10: Operate effectively in teams and develop a spirit of tolerance and work in harmony in multicultural and diverse environments for betterment of education practices.

PO 11 : Develop Ethical awareness and reasoning to present original, honest and authentic work in thoughts and practices and refrain from any unethical behaviour.

PO12: Analyse and evaluate evidences of existing facets in the commerce discipline and apply solution to problems in the organisations and in the society.

PO13: Effective decision makers in business and commerce leading to Entrepreneurship.

PO14: Prepare for higher graduation studies to achieve leadership positions and success in their professional careers.

PO 15 : Capable of following lifelong learning practices as a means for continuous learning and self development.

(B) BACHELOR OF COMMERCE (BANKING & INSURANCE)

Banking and insurance industry is undergoing a radical shift and there is a need for learners to equip themselves to become employable. Moreover, the forces such as competition technology has brought a drastic change in the traditional institutions to rethink to do their business. This course provides exposure to the students to provide in depth knowledge on the various changes that banking, and insurance sectors has undergone in the digital era. The course moulds the student to adapt themselves to the expectation of the banking and insurance industry.

The department strives to enhance the knowledge of the ever changing banking and insurance industry by inviting experts to share their knowledge with our students.

Programme Specific Outcomes

The students will be able to:

PSO 1: Explain, evaluate and interpret the terminology and concepts related to Banking, Insurance and Finance.

PSO 2: Compare and analyse the characteristics, structure, functioning and performance of banking and insurance companies.

PSO 3: Apply fundamental accounting knowledge to analyse and interpret relevant accounting and financial statements and reports.

PSO 4: Demonstrate subject skills within various disciplines of commerce, business accounting, economics, finance, auditing and marketing, entrepreneurial skills and capability to work independently in the related fields/areas.

PSO 5: Develop skills like effective communication, decision making, problem solving, and leadership skills in day to day business affairs.

PSO 6: Integrate and summarise qualitative and quantitative information related to Banking & Insurance sectors to the community at large.

PSO 7: Assess the aptitude to engage in competitive exams such as IBPS, IRDA, and other competitive exams.

PSO 8: Plan for higher education and advance research in the field of Commerce, Finance, Banking and Insurance sectors.

(E) BACHELOR OF SCIENCE-INFORMATION TECHNOLOGY

Today, the world is controlled and functions through technology. In this regard, every company is already an IT company today. Every workplace is accessing digital tools and solutions. IT industry has witnessed a tremendous growth.

In the present major technological trends such as IoT, Artificial Intelligence, Block chain, Cloud computing, Data Science and cyber Security dominates the world.

The curriculum is based on the above technological trends and generates employability among the youth.

The Department provides scope for the learners to engage in real time projects

Programme Outcomes:

PO1: Disseminate knowledge in various domains of science, technology and mathematics in application-oriented industries and organizations.

PO2: Flourishes learners Research and Development skills.

PO3: Provides the learner analytical and technical knowledge and prepares them for higher studies.

PO:4 Identify various research avenues in the technology domain and work with scientific methods to achieve the success.

PO:5 Evaluate technological bids by learning different skills and create the project-based models for real time applications in industry.

PO:6 Recognize the need for lifelong learning, communication, ethics and responsibility towards environment sustainability to fulfill the broad context of technological change.

Program specific outcome:

PSO:1 Construct the foundation to clench technical knowledge in the domain of mathematics, programming languages, software engineering, networking, electronics, artificial intelligence, internet of things etc.

PSO:2 Capability to analyze need of explicit technology for specific applications and figure working systems for it.

PSO:3 Produce real time applications through installed systems and become exocomet for technical leaders.

(F) BMM/ BAMMC (BA IN MULTIMEDIA AND MASS COMMUNICATION)

With the boom in technology and emergence of new types of media & communication networks it is now the need of the time to have an understanding about evolving media landscapes. Hence career in media & communication is one of the most sought-after career in today's world with progressing researches & innovations done on it. The Program offers a new Perspective towards understanding the changing world and encourages the young minds to create, innovate and conquer the world.

The Curriculum offers the foundation of careers in Print, Advertising, Journalism, and the newly emerging media sectors, thus empowering the youth to think independently and voice out their opinions through various media platforms.

Programme Outcomes:

PO1: The program considers media industries and their relationship to culture and society, and the understanding of how communication works. The program emphasizes the development of critical thinking, professional writing skills and effective oral communication.

PO2: The Communication and Media Studies major prepares students for a wide variety of careers in business and industry, advertising, public relations and journalism, or advanced study

PO3: This program will equip the learners with professional skills essential for making career in Entertainment industry, Cinema, Television, OTT Platforms, social media platforms etc.

PO4: Students would demonstrate the ability to apply rhetorical principles in a variety of creative, cinematic, organizational, professional and journalistic venues.

PO5: Knowledge, skills, and values that prepare them for future careers in our interconnected society, whether in mass media or advanced study

PO6: Learners would develop a global awareness of political, social and corporate issues influenced by communication sensitivity and skills.

PO7: Learners will understand mass media as a system of interrelated forces, including historical foundations, technological advances, economic dynamics, regulatory constraints, and ethical concerns.

PO8: This programme will also give them an improved sense of self-confidence and self-efficacy and an awareness of their responsibilities as professionals in their field

PO9: Learners will be able to create and design emerging media products, including blogs, digital audio, digital video, social media, digital photography, and multimedia.

PO10: They will be better equipped to grasp the complex relationship between communication/media theories and a diverse set of individual, social, and professional practices.

PO11: Learners will understand the underlying philosophical assumptions of, and be able to apply, communication research methods to address a range of media texts and audiences, production and technological practices, and relevant social issues.

PO12: Learners will comprehend the foundations, process, and practices of writing for and about the media, and demonstrate proficiency in writing across platforms.

PO13: Learners will be able to conceptualize, design, and produce one or more works in media based on effective principles and practices of media aesthetics for a target audience.

PO14: Learners will acquire the knowledge and skills required to pursue a career in the specialization of their choice.

(G) MASTERS OF SCIENCE - INFORMATION TECHNOLOGY (M.SC. - IT)

The IT sector has been growing at the rapid rate and is one of the top employment sectors in India in the past and present. This predicts good career prospects for M.Sc. in IT degree holders. This course is a professional qualification in IT, which prepares the IT professionals in software development, testing, networking, research projects in academia and the industry R&D labs etc. Professionals with an MSc IT one can work in different roles like Software Developer, IT analyst, Maintenance Engineer, Application programmer in the IT sector, Software Engineer, Computer Programmer, Interface Engineer, Java Developer, Project Manager, Information Security Analyst, IT Consultant, and Network Administrator.

Students can also opt to move to other industries like teaching, banking, Analytics too. They can apply for various open positions in the government sector.

Programme Outcomes:

PO1: Disseminate knowledge in various domains of science, technology and mathematics in application-oriented industries and organizations.

PO2: Flourishes learners Research and Development skills.

PO3: Provides the learner analytical and technical knowledge and prepares them for higher studies.

PO:4 Identify various research avenues in the technology domain and work with scientific methods to achieve the success.

PO:5 Evaluate technological bids by learning different skills and create the project-based models for real time applications in industry.

PO:6 Recognize the need for lifelong learning, communication, ethics and responsibility towards environment sustainability to fulfill the broad context of technological change.

Program specific outcome:

PSO:1 Construct the foundation to clench technical knowledge in the domain of mathematics, programming languages, software engineering, networking, electronics, artificial intelligence, internet of things etc.

PO:2 Capability to analyze need of explicit technology for specific applications and figure working systems for it.

PO:3 Produce real time applications through installed systems and become exocomet for technical leaders.

A short-term course of 30 hours on “PHP MySQL” for Second year and Third year students. The course contents include introduction to PHP programming and data management through MySQL database. Through this course students were able to design attractive, and dynamic websites.

4. 'ASP.NET'

Short Term Course on “ASP.NET” for the Second and Third year of BSc. I.T. Students. The 30-hour program was designed to give the students basics introduction of .Net framework with C# along with ASP.Net hard core application development. Through this course students understood the .Net framework, C# Programming, Asp.net basics and able to use them effectively to develop their own Web Application

5. 'Android Programming'

A short-term course on “Android Programming” for the second- and third-year IT Students. The 30-hour program was designed to give the students basics introduction of android studio and later progressed to develop hard core applications. Through this course students were able to understand the Android platform's organization, programming mechanisms and were able to use them effectively to develop their own Android applications.

6. Graphic Designing

A short-term course of 30 hours on “Graphic Designing” for First year students. Through this course student were able to design attractive, creative, and innovative designs.

Entrepreneurship Development Cell : The Entrepreneurship Development Cell of the college functions with an aim to create interest and inclination among the learners to pursue entrepreneurship as a career. Towards this end, the Cell conducts Entrepreneurial talk sessions, guidance lectures and workshops where start-up founders, professionals and industry experts guide the learners on various topics related to business, finance and entrepreneurship. 'Once upon a Start-up' and 'Exploring the World of Entrepreneurship' were two such sessions in 2022-23 where resource persons from the field of business and industry shared their knowledge, expertise and experience with the students. This also provides an opportunity to the learners to network with the veterans in the business space. In 2022-23, the EDC of the college in collaboration with University of Mumbai's Garware Institute of Career Education and Development conducted a 30 hour short term 'Certificate Course on Entrepreneurship, Innovation and Venture Creation' that provided hands-on training on various aspects of entrepreneurship and innovation. As part of this Certificate Course, the learners organised Hustlers 2023 - an Entrepreneurial Fest.

CLUB ACTIVITIES:

The club provides platform for the students to develop their hidden skill and motivates them to participate in various co-curricular activities. This provides a scope for the learners not only to excel in academics but also in various other diversified areas to develop the overall personality of the learners. In this regard, each and every programme has the unique club wherein the learners participate to enhance their ability and capacity. The club also develops team work, leadership, budgeting, planning and implementation.

BANKING AND INSURANCE – BANKER AND MOVERS (07)

This club provides wide range of exposure to the students by organising industry expert lectures from the banking and insurance sector. It was providing ample of opportunities for the students to organise events in the area of the interest and provides scope for learners to expose them to the ever-changing industry.

BMS - BUOYANCY CLUB (6)

The Club is a platform that provides students to come together to ideate their areas of interest and put together activities that would hone their skills. The students organize several activities under the club and include workshops, competitions, lecture series, games etc. This is an excellent forum for them to build long lasting relationships with their peers, overcome their limitations and develop their skills.

M-pulse

This is the Intercollegiate fest organized by the Department jointly with the club. The fest has seminars on latest topics of interest and also various competitions and workshops organized on their areas of specialization. The fest is completely managed by the students and they have ample opportunities to work on their interest areas.

Calibre Commerce Club of B. Com

The club organizes activities like Power Point Presentation competition, Elocution competition, Quiz, and public speaking, among others.

Eminence is the inter-collegiate fest organized by the Calibre commerce club ever year. The students who are a part of the organizing committee learn various soft skills and life skills like leadership, crisis management, organization, planning and so on during the event.

Total number of activities conducted: (08)

IT – TECHKNOW (6)

Club also has organized a short-term course of “Graphic Designing” which was conducted by the students for the students which helps in cultivating the habit of knowledge sharing. Every year the club organizes an intercollegiate Tech-Fest named NovaTech.

Fest

To make our students aware and experience the beauty of technology, the TechKnow Club of the Department of Information Technology has organized an intercollegiate TechFest NovaTech 2022-23.

The TechFest has come up with various competitions such as Graphic Designing, Blind Coding, video Making and LAN gaming which provided a solid platform for the participants. Where they can project their creativity, artistic mind, critical thinking and their decision making capacities.

BAMMC- AVIVO CLUB (5)

The Avivo Club of Media organises various activities to promote and educate students on multiple aspects of media through competitions, Guest Lectures and Outdoor activities like Photowalk, which helps students to explore and experience the society through varied perspectives.

The department organises Paradigm the fest connected with media related activities.

Cine Hub organises weekly Film Screenings for the students to encourage them to watch more films belonging to innumerable genres, languages and time periods. The Film Screening is followed by a Film Review Discussion to develop writing and articulation skills or Activity that allows students to develop an attitude of film appreciation and gradually a foundation for career in film making.

ACCOUNTING AND FINANCE - FINANZEN CLUB (06)

The club focuses to enhance their knowledge by arranging industry expert lectures topics like Income tax Return filing, Tax Deducted at Source, Research Project Work and guidance lectures on career opportunities available in the field of insurance sector, government sector, finance sector, etc.

Intercollegiate event “Finova- Innovation Beyond Imagination” was conducted wherein various events like Poster Making Competition, Business Plan (Shark Tank), Stock Trading (Bears & Bulls), Marketing Strategy (Deal of the Day), Quiz and Treasure Hunt were conducted. This paved a way to showcase their talents and learn different aspects of accounting & finance practically.

ECO CLUB (06)

This club provides learners to engage in developing green campus. The club in collaboration with Hariyali foundation to develop greenery in around the campus. We have developed decomposing pit in our college and generate organic manure for the plants. We have also developed vegetable and flower garden. The club initiates various activities along with students to sensitise the importance of sustainable development. Activities such as world population day, eco friendly Ganpathi Idol making, organic farming,

LIBRARY - RIDDLERS CLUB (2)

Library is not only a place of reading and borrowing books, but the functions are beyond its boundary. The club takes initiatives to provide scope for the learners to organise various activities to make library as a part of their learning. Quizzes, book review competitions are organised. National library day is celebrated in a grand manner. Budget discussions are also conducted a part of the library activity.

INFRASTRUCTURE - DEVELOPMENT

"Infrastructure is the foundation of economic development"- Craig Lesser

Physical Infrastructure

- Gymkhana/Sports ground
- Computer laboratories
- Auditorium
- Canteen

Academic Infrastructure

- Library
- Laptops/Projectors
- Smart Classroom
- Microsoft Teams
- SIA- Techlink

Physical Infrastructure:

Gymkhana

- ❖ The college has a gymkhana which is ideal for indoor games such as TT, chess and carom.

Computer Laboratory

- ❖ The college has grown from 1 Computer Laboratory to 3 Computer Laboratories and 1 Electronic Laboratory.
- ❖ 3 Computer Laboratories have 96 computers, all with internet facility of bandwidth 15 Mbps.

Specialized Facilities and equipment for teaching, learning and research

- ❖ Every classroom has LAN facility.
- ❖ Portable LCD projector is also available.
- ❖ Departmental Library for each department.
- ❖ The college has adequate internet facilities for teaching, learning and research.

- ❖ There are 63 nodes with internet connectivity in the Computer Laboratory, 05 nodes in the Library.

Seminar Hall / Auditorium

- ❖ Air conditioned Seminar Hall is available to accommodate 200 audience .

Canteen: The best place for any collegian

- ❖ The canteen is very spacious and offers hygienic food at affordable rates .

Washroom / Water coolers

- ❖ These facilities are available floor wise to suit everyone's needs.

Additional features

- ❖ The college offers a very safe and secured environment with 24 hours security.
- ❖ CCTV cameras have been installed in the college campus to monitor the safety and various activities of the students.
- ❖ The college also has fire-fighting equipment in place.

Academic Infrastructure

Library: A library is a house of knowledge, information and facts stored in the form of different resources.

- The college library has a profound collection of books, encyclopaedia, journals, CDs, e-books and other resource material like periodicals, newspapers, manuscripts.
- It is supported with computers and internet facilities. Library users can access online databases through internet access.
- Library shares its resources under inter-library loan with other college's libraries. Catalogue of books and non-book material is available through the INFLIBNET N-LIST.

- The Library also has its own software, E-Granthalaya, through which students and faculty can login and issue books and other reading material on their phones.

Objectives:

- ❖ To develop and maintain reading habits among the students
- ❖ To provide access to resource and information service necessary to support the learning and teaching activities
- ❖ To assist the students in their personal growth and sharpen their intellectual curiosity
- ❖ To provide necessary information for learning in the subject of interest

The Library Advisory committee meets periodically to discuss various aspects for enhancement and effective use of library facilities. The Library club-“RIDDLERS” organises quiz competitions, budget reflections, book exhibitions, orientation programmes for using databases periodically.

Library facilities:

- Lending books at home
- Online booking of books for easy access and save time
- Reading materials like Magazines/Periodicals, News papers, reference books,
- Computers and Internet access
- Book bank facilities
- Syllabus and previous years question papers
- Bibliographies on various topics

Librarian: Mrs. Bharti Rao (BA, M. Lib Science)

Laptops/Projectors

Technology-enabled learning is the need of the hour. Considering the foresight of modern education, the college has set up projectors in 13 of the 15 classes. The college also provides laptops to teachers with required cables and other facilities for smooth conduct of modern methods of teaching.

Technology-Enabled Learning Spaces- Smart Classrooms:

Technology facilitates learning to improve performance by creating, using and managing suitable technology and resources. Technology is a major tool, in terms of pedagogical resources and in terms of connecting with the younger generations.

- Students' satisfaction is of paramount importance for the college.
- To provide them satisfaction, the college has evolved an effective method of teaching in high-tech class-rooms which have good seating and lighting.
- Big black Boards and ICT are used as teaching aids.
- All classrooms are equipped with LAN connectivity points and have the facility for internet connectivity.
- Classrooms are also used for conducting tutorials and remedial programmes.
- In addition, the college also encourages tech-enabled learning by conducting lectures via skype and other learning management systems.
- Smart class technology has been set up in two classes to facilitate advanced levels of learning with internet connectivity.

Microsoft Teams

The College has a campus agreement with Microsoft which provides the faculties and students with various advantages.

- ❖ All the products of the Microsoft software updated
- ❖ Students get personalized Microsoft email id for college purpose
- ❖ Students can access Microsoft resources for free one of which is office 365, and get OneDrive Storage with a space of 1TB where they can store college notes, presentation, Personal Data etc.
- ❖ The student can contact the teacher any time to clarify his queries or doubts.
- ❖ Microsoft Teams is a virtual classroom platform provided to teachers to take online lectures to students.
- ❖ Microsoft Teams facilitates the Teachers to record the lectures which can be viewed by students for later purposes
- ❖ The students can access the products of Microsoft

SIA Tech-link: Incubation center: (Bridging the Gap between Academics and Industry)

The research wing of the college works towards signing MOUs with different companies providing live projects for students. This gives an opportunity for students to get hands-on experience at handling different responsibilities and assisting in different activities. Techlink also conducts crash courses targeting specific technical skills for the students. These features make the techlink an important department, especially for the IT department as it provides an avenue to put theory into practice.

Highlights of the Techlink are:

- OPD Fees Collection module for Physiotherapy
- Exam module for Junior College
- Attendance Module
- Feedback Module

Rules and Regulations - Goal

"Discipline is the bridge between goal and accomplishments"- Jim Rohn

Code of Conduct:

1. All students are expected to observe rules and regulations currently in force to enable the smooth working of the college.
2. Students are prohibited from doing anything inside or outside the college that will interfere with its orderly administration or affect its public image. No outside influence, political or any other should be brought into the college directly or indirectly.
3. Students resorting to unfair means at the examinations will be dealt in accordance with provisions of the Government of Maharashtra Act No. XXXI of 1982 and the Maharashtra Universities Act 1994.
4. All students of the college should always wear their valid college Identity Cards whether in college or while representing the college at any other place. Further, it should be produced whenever demanded by any of the college staff. Examination

All courses offered in the college follow Credit and Grading system of assessment (CBSGS). The examination system is under semester pattern. For three year integrated U.G. Courses, while the college conducts First Year and Second year Degree examinations (Semester I, II, III, & IV) the University conducts Third Year Degree

examinations(semester V & VI). Internal assessment is an integral part of all courses. The assessment pattern is implemented as per guidelines received from the University time to time: Rules and Regulations regarding promotion to next class is constantly updated by the University of Mumbai in its website www.mu.ac.in.

Verification and Revaluation of Exam Results:

The students can apply for verification, Xerox copy of Assessed Answer Books and Revaluation immediately (within stipulated time) after the declaration of the results of the Semester Exams. The students are advised to see the Notice Board for the latest circular after the declaration of Results.

CULTURAL ACTIVITIES - SPIRIT

“Culture is the widening of the mind and of the spirit” – Jawaharlal Nehru

College provides opportunity for the students to participate in various activities through the cultural and other committees. These committees shape the student's personality and bring out the talent that is hidden within oneself. Various committees such as Student Council organise sparklers, youth festival, Ganesh utsav, Navarathri puja, Guru puorinma, etc, literary committee organises various activities pertaining to different regional cultural practices, Marathi Vangai Mandal signifies the regional color of Marathi,.

Cultural Activities

- Student Council
- Marathi Vangamay Mandal

Extension Activities

- NSS
- WDC
- DLLE
- Eco Club

- Placement
- Parents' Teachers' Meeting

Cultural Activities

Student Council

The student council is a student representative body in the college. The council nurtures and enhances the quality of life of the students in the campus. It engages the students in continuous growth of themselves and the college. The council plays a pivotal role to monitor the conduct of the students and ensure the decorum of the college.

Student Council organizes events according to the Calendar events and important days. Highlights of 2022-23 are:

- ❖ International Yoga Day
- ❖ Ashadhi Ekadashi
- ❖ Guru Poornima
- ❖ Kargil Vijay diwas
- ❖ Death anniversary of Dr.APJ Abdul Kalam
- ❖ Independence day
- ❖ Teachers day
- ❖ Non Violence week
- ❖ Navratri Celebration
- ❖ Workshop on building better linkedin profile for increased visibility
- ❖ International Men's day
- ❖ Sparklers intercollegiate fest
- ❖ Participation in Youth Festival
- ❖ Pongal
- ❖ Republic day
- ❖ National girl child day
- ❖ Traditional day
- ❖ Mr& Miss SIA Competition

Marathi Vangmaya Mandal

Marathi Wangmay Mandal of college is working to preserve Marathi language, Literature and culture. In the year of 2022-23, Marathi Wangmay mandal organized the following events:

1. Aashadhi Ekadashi
2. Shravan sari
3. Shivjayanti
4. Valli - Intercollegiate Event

b. Women Development Cell (WDC)

Women Development Cell (WDC) of the college works with the objective of creating awareness among students and staff about social and legal rights and thus empower them to stand against any discrimination. It conducts activities on gender sensitization, women rights and women empowerment, Self Defence Training etc. The most important objective of the WDC is to create awareness about the prevention of sexual harassment at workplace and to promote general wellbeing of female students, teaching and non-teaching women staff in college. Women Development Cell of College also focuses on the mental health and wellbeing of the students, and for that organizes various sessions and workshops.

c. DLLE (Department of Life Long Education)

DLLE promotes a meaningful and sustained rapport between the college and the community. DLLE initiates Continuing Education opportunities for the students. Highlights for the year 2022-23 are:

- ❖ First term training Program attended by DLLE students
- ❖ Poster making, Brochure Making
- ❖ Students participated in University Level Udaan Festival in various Competitions like Poster Making, Creative Writing, Powada Singing, Short Film Making & Elocution
- ❖ Submission of Extension Projects (Career Projects, Survey of Women Status in Society)
- ❖ THE S.I.A. COLLEGE OF HIGHER EDUCATION is now a Recognized Social Entrepreneurship, Swachhta & Rural Engagement Cell (SES REC) Institution. The Institution has successfully framed the SES REC Action Plan and constituted ten working groups for improving facilities in the Campus and the Community/Adopted Villages areas of Sanitation & Hygiene, Waste Management, Water Management, Energy Conservation and Greenery post COVID-19, along with the observation of three environment, entrepreneurship and community engagement related days to inculcate in faculty, students and community, the practices of Mentoring, Social Responsibility Swachhta and Care for Environment and Resources.

Placement Cell

The placement cell works with the motto of educate, empower and employ... In this regard, we foster linkages with industry partners to train our students on various skills and also bridge the gap between the academic learning with industry expectations and practices. The placement cell arranges for industry expert sessions wherein the stalwarts from industry conducts lectures on various current topics. In addition, to gain practical exposure to the academic curriculum in the industry internships are arranged for the students. The

CAMPUS PLACEMENT DRIVE

Students were placed through these drives. The following is the list of companies and the number of students placed

S.NO	NAME OF THE ORGANISATION	NUMBER OF STUDENTS PLACED
1	SUTHERLAND	14
2	MUMBAI INTERNATIONAL AIRPORT	1
3	SEVEN GROUP	5
4	HDFC ERGO	1
5	AMI INFOTECH	13
6	LEAPFEED	23
	TOTAL	57

S.NO	NAME OF THE ORGANISATION	NUMBER OF STUDENTS PLACED
1	SUTHERLAND	36
2	BONACE	2
3	CITY UNION BANK	10
4	TECHMAHINDRA FOUNDATION	55 (UNDERGOING TRAINING WILL BE PLACED)
5	TNS	60
	TOTAL	163

Parents' Teachers' Meeting:

The S.I.A College of Higher Education works like a big family or parivar, encompassing everyone that interacts with the organization. One of the major stakeholders for the institution are the parents and guardians of the many students who take admission in the college. The college engages in periodic interaction with the parents during parent-teaching meetings to keep them updated about their ward's performance as well as the upcoming events and activities. The faculty is also dedicated towards maintaining contact with the parents over the phone to inform them about all major issues. These efforts make the parents feel secured and instil confidence in the working of the institution.

S.I.A. LITERARY CLUB

We speak different languages, belong to different culture however the we are bound by the feeling of oneness. The S.I.A literary club is a step towards building oneness among the youth of the college. The club celebrates the unity, appreciates the differences in culture and takes efforts to help students understand the beauty of different languages and culture. The club has organised the following activities during academic year 2022-23:

1. Video Presentation for Celebrating Karnataka Rajyotsava Day
2. Inter college Essay Competition on account of International Mother Tongue Day
3. Documentary Screening to celebrate International Mother Tongue Day

Sports
