## Department of banking and insurance

### Peer learning Report

The Department of banking and insurance conducted peer learning activities in the month of August and September, 2022 for third year students.

As a part of peer learning group activity, the class was divided into six groups with 6 members each and a leader was appointed for each group. Activities were assigned to each member in the group. Few activities conducted under peer learning are as follows:

- 1) Solving previous year question papers helped the students to evaluate the best way to write the answers during exams. Solving previous year question papers helped the students to evaluate the best way to write the answers during exams. Through this activity all students were able to study all the questions.
- 2) Learn the topics under each subject and explaining to peers in the group was another activity conducted. This helped the students to understand and revise the concepts, definitions and other contents of the subjects in a better way.
- 3) Reflective Learning Assignments were given to students to measure capacity to analyse and solve problems and reproduce the subject content in the exams in better manner.

It was observed that peer learning improved interpersonal and collaborative skills, problem-solving skills, self-directed learning and also improved results.

**Activity guidelines & report for FYBCOM Business Communication-II 2022-23**

**Guidelines: Meetings Activity 13/01/2023**

In this activity we will conduct meetings.

1. You have to form clusters of 4-5 students.
2. You have to decide the topic, process and potential outcome of a meeting to be conducted.
3. Make a plan i.e before meeting, during and after meeting.
4. Generate topics among your group and register with class CR on or before 17/01/2023.
5. You have to conduct a meeting on a given day i.e 31/01/2023.
6. Meeting activity will be held in the auditorium.
7. Your group has to make notes on what individuals speak and minutes of the meeting on the same day of meeting.
8. You have to prepare a conclusion/summary after your meeting.
9. In the following lecture, your group has to present in the classroom paraphrasing of all the discussions done during the meeting.
10. Suggested topics:
  - Planning a trip
  - Health check-up camp
  - Problem solving topic for meeting
  - Any other topic as per your choice

**Report: Meetings Activity 04/02/2023**

Students formed clusters and interacted with each other to set up a meeting. Topics chosen by their groups ranged from Trip to Kolkata, E - Waste management, Cancer awareness, Blood Donation Camp, Planning a trip to Manali, Preparation of Ganesh Utsav, Mental Health &

P.T.O

Social Media. Meeting was held in the auditorium at 10.10 am on 31/01/23. Students sat in a circle on chairs and conducted meetings on their respective agenda. Students expressed that they enjoyed doing a meeting as it was a change of location from regular classroom to auditorium and they were able to discuss freely due to change in sitting posture which was not possible in the classroom. Students prepared an agenda before the meeting, took notes during the meeting, discussed issues, proposed solutions, prepared a summary and expressed it in the classroom in the following lecture.

44 students participated in this activity.
